### **Katy Build Tennis Tournament Fundraiser Benefiting the Katy Build Project**

Our Katy Build tennis tournament fundraiser will take place on May 31–June 2, 2019 at Bossier Tennis Center. Our goal is to raise funds for the Katy Build Project that will eventually provide additional housing in Bossier City, LA for first-time veteran homeowners. In order to meet our goals, we are asking for sponsorships from local businesses and individuals—such as yourself—to join us.

The Katy Build story began in 2011. Fuller Center for Housing of NWLA partnered with Asbury United Methodist Church in Bossier City, LA to begin a legacy build home in honor and memory of Katy Watkins. Katy lost her life in a car accident of 2006 with Molly Reed and Emily Perdue. Katy was a servant leader very involved at Asbury United Methodist Church. Katy gave much of her time in making a difference in the lives around her. This partnership represents much of what Katy, Emily, and Molly are about—love and service for our fellow neighbor.

This joint partnership would offer just such a gift to the Bossier City community. A home was built for a deserving first-time veteran homeowner, Charles and Vernita Brown, in the Scott-Dickerson neighborhood. The first Fuller Center home in Bossier City was dedicated on August 11, 2012, which also was Fuller Center's 45th home build. This new construction was the first in the neighborhood in almost 50 years. This was achieved through the generosity and volunteers of many in the community.

On May 10, 2014, family, friends, volunteers, and sponsors gathered to dedicate the Katy Build II, the Barry Hughes House, also Fuller Center's 50th home build in our community. Lonnie and Rosalyn Carmack's home shares the lot of Katy Build I, also called Katy's Corner.

In 2015, our partnership grew with the commitments of First Baptist Bossier and Simple Church to build homes honoring Emily and Molly.

In October of 2017, Simple Church completed Molly's House and were able to provide housing for Sterling and Rhonda Combs, also veterans and Fuller Center's 57th home in our area.

Plans for 2019 include Emily's House Build by her home church, First Baptist Bossier, and a Katy Build House by Asbury.

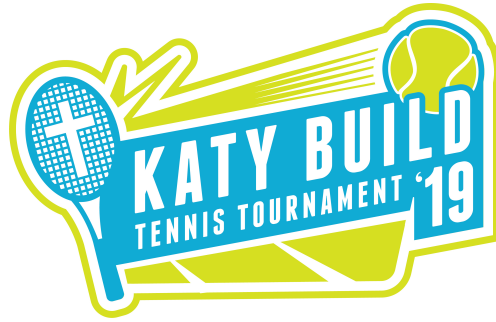

Please join us in striving to continue to improve and enrich lives and communities with your financial gifts and donations. With your support, the Katy Build Project continues the mission of building future Fuller Center homes in Bossier City, Louisiana. Thank you in advance for your consideration!
